

## RESEARCH SEMINAR SERIES

Research, Innovation and Knowledge Management Branch would like to invite you to the following *Research Seminars*.

### Upcoming Sessions:

**16-Nov-10 - Dave Spittlehouse**

Influence of the Mountain Pine Beetle on the water balance of a lodgepole pine stand

**14-Dec-10 - Craig Delong**

How Field-based Research and a Systems Perspective can Increase Industry Competitiveness and Innovation while Minimizing Risk to the Crown

**18-Jan-11 - Huapeng Chen**

Mountain pine beetle dispersal: spatial-temporal patterns and role in the expansion and spread of the present outbreak

**15-Feb-11 - Teresa Newsome**

Performance of BIG trees and little trees in a Shelterwood Silviculture System in the ICHmw and MSdk 10 years after harvesting

**15-Mar-11 - Peter Jordan**

Water, Earth, and Fire: runoff, erosion, and landslides after wildfire in southern British Columbia

**19-Apr-11 - Rita Winkler**

Forest disturbance and snow generated surface water supply

**17-May-11 - Matt Sakals**

Material recharge in shallow landslide initiation zones.

**21-Jun-11 - Marten Geertsema**

Influence on landslides on biodiversity

**19-Jul-11 - Robin Pike**

Water Quality and Forest Management in British Columbia

**16-Aug-11 - Marty Kranabetter**

Co-evolution of ectomycorrhizal fungi with local provenances of Douglas-fir and the implications for assisted migration

**20-Sep-11 - Bruce Rogers**

Risk analysis and decision support tool: Year two update on Future Forests Ecosystem Scientific Council Project

**18-Oct-11 - Peter Tschaplinski**

Recent evaluations of the effectiveness of riparian management practices in BC

**MORE INFORMATION :** [http://www.for.gov.bc.ca/hre/research\\_seminars](http://www.for.gov.bc.ca/hre/research_seminars)

*Common meeting rooms have been reserved in the following locations:*

**Location: Victoria:** Room 502, 727 Fisgard Street

**Kamloops:** Juniper room, Southern Interior Regional MFR Office

**Prince George:** Heritage Room, Northern Interior Regional MFR Office

**Smithers:** Driftwood Room, Skeena-Stikine Forest District Office

**Nanaimo:** Birch Room at 2100 Labieux Rd.

A PowerPoint presentation will be available at [http://www.for.gov.bc.ca/hre/research\\_seminars](http://www.for.gov.bc.ca/hre/research_seminars) on the day of the presentation.  
For further information, contact Robin Pike at: [Robin.G.Pike@gov.bc.ca](mailto:Robin.G.Pike@gov.bc.ca) or 250 387-6780.
